NOTE: Hooray for our return to live music! I'm sincerely excited to put on a concert with you for your family and friends! Please make sure to let family and friends know that I'll be marking off different rows to encourage social distancing. Also help everyone know that masks are still required inside school buildings. We wear them because it's the rule we've been asked to follow and also to make sure others' friends and family can feel safe and comfortable gathering in larger numbers to support us and enjoy our performance.

Please continue to focus on the goals we have gone over many times this semester: Do Your Best, Do Better than Before, Have Fun in the Attempt! Look Good, Sound Good, Act Good and continue to grow your professionalism!
