**NOTE:**

This year's co-curricular band will be available to anyone who is enrolled in a band course (it does not matter whether students have signed up for plan b or virtual academy, we want you to be included). We will meet as a group virtually until WCPSS approves that conditions are acceptable for us to rehearse and/or perform together. We hope to perform in a variety of community functions for the school, our neighboring schools, and for our neighborhoods.

We have 3 main goals for our work in this ensemble:

1. To work hard improving our skills as musicians and learning how to productively struggle through the challenge of fixing our weaknesses and building our strengths.
2. To learn how to lead and follow our peers as valuable individuals that are a part of a bigger team.
3. To support one another as a community of people who care about each other, look out for one another's needs, and value our similarities and differences as part of a larger family united through music.

We are living in a difficult time, but I hope we will all see the value in both music and team in building each other up and focusing on a common goal.

Please email Mr. K if you have any questions or concerns at [tkohring@wcpss.net](mailto:tkohring@wcpss.net).
