Dear Community Member,

The Rolesville High School Band Boosters Association is excited to announce that we will be hosting a Marching Band competition on October 8th, 2022. As you may know, the RHS Band Boosters is a registered non-profit 501(c)(3) organization dedicated to the promotion and benefit of the activities of the RHS music programs. This is accomplished through volunteer support and fundraising efforts that help to offset the costs individual student's families must undertake for uniforms, registration for music education opportunities and competitions, equipment and so much more.

This is why your support is so important. As an area business member, we know you'll agree that music education plays a valuable part in student life and in the spirit of our community at local parades and other events. We're asking for your help in reaching our fundraising goal of \$20,000 to assure the fundamental needs are met for building a strong music program that is accessible to any student regardless of financial position. Monetary donations or items of use are both welcome. If you're interested in sponsorship of the event / gift-in-kind please let us know and we can share more about our sponsorship programs.

Your support will be greatly appreciated and remembered by the many students, parents and supporters who attend the competition, and our 501(c)(3) non-profit charitable organization status makes all donations to the RHS Band Boosters tax deductible.

Please complete the attached donation form, retaining a copy with the letter for your records if necessary, and return the form along with your donation to Rolesville High School. Alternatively, you may coordinate with your RHS Band Booster contact to arrange pick up of your donation.

It is very important for tax purposes to include the retail value of your donation. Donation checks should be made out to "Rolesville High School Band Boosters."

Thank you for your support!

Sincerely,

Jeremy Kamm, President, RHS Band Boosters
