

Marco's Pizza Box Night

Join us for Rolesville High School Band - Box Night. 15% of all sales will be donated to the Rolesville HS Band.

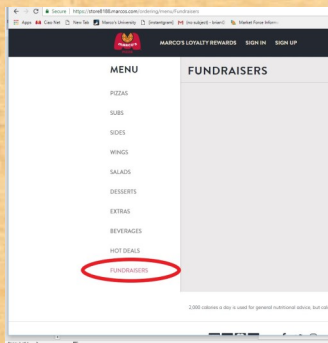

(20% for online orders).

Rolesville HS Band Members will create their own Marco's Pizza Box. To participate, place an order with Marco's Pizza anytime on July 23rd or 24th, and your order will be placed in the box the student decorated for Pickup or Delivery. When you call in your order, tell us it is for Rolesville HS Spirit night and the students' names. We'll take care of the rest. Friends and Neighbors may participate as well, but tell us there is no box associated with the order or select that when checking out online.

Join Rolesville High School Band and Marco's Pizza—Heritage Tuesday and Wednesday July 23rd and 24th

For Online Ordering:

At any point before checking out, click "Fundraiser" option in the bottom corner of the page. Look for the School's name then click the "Add" button to the right.

Select whether or not a box is associated with the order. That will open up the space to enter your students names. Given the small size of the school we do not need to know the teachers names and the graphic here shows.

The same steps apply for ordering on mobile phones. The fundraiser button is located by pressing the menu button in the upper left corner.

Teacher Name

- Howe
- Bass

Student Name

Oliver Twist

Characters left: 38
